

Dear Parents,

Next Tuesday, the school Harvest service is taking place at the Church of St Mary. The service will begin at 09:30 with families welcome to attend.

Mr Awadh's football club is happening every Thursday straight after school. If you would like your child to attend, please sign up to the first CAST session using the Parent App.

We have some important staffing changes to share with you. From next week, Mrs Wells will be the new school Special Educational Needs Coordinator (SENCo). Mrs Wells is an incredibly experienced teacher and will be taking over this role from Miss Airey. Should you wish to contact Mrs Wells, her email address is sendco@charltonono.co.uk or feel free to speak to the school office and we will pass your message on. Mrs Wells' contracted day as the school SENCo will be every Thursday.

Miss Airey will be the year one and two class teacher throughout the week.

On Monday, we are having the school eco-council elections. All children can stand with one pupil being voted in from each class.

Finally, I would like to inform you that the PTA AGM will be taking place this year on Wednesday 2nd November at 7.30pm in the Percy Collett room.

Have a great weekend

Mr Griffin

Class Attendance Winner

This week's best attended class is Early Years with:

99.25% Attendance

Keep it up!

Also, Well done to everyone for getting into school at 08:45. It makes such a difference!

Early Years

This week in FSU as part of our Harvest theme we have made vegetable soup. The children helped grate the carrot, parsnip, potato and onion, then we added water (stock) and boiled it in a pan. Delicious!

Year 1 & 2

In Year 1 and 2 we have been exploring clay. We used different tools to create patterns and to join the clay together. Today, we made a pinch pot marmalade jar for Paddington! We had to use our fingers to carefully shape the bowl.

Year 5 & 6

This week, pupils in Year 5 and 6 went on a scavenger hunt on the field, trying to find illustrations of animals and plants from our English text, 'The Lost Words', and metaphors and similes to describe them. They had great fun, and were remarkably speedy at finding them!

Year 3 & 4

Year 3 and 4 have been exploring and learning about hundred and thousands numbers. This week we used base ten to build 3 and 4 digit numbers and identifying the value of each section.

Celebrations this week

Class	Value	Reason
Early Years	Love (of Learning)	Oscar—for coming back to school with confidence and eager to listen and learn.
Year 1 & 2	Kindness	Huxley—for showing lots of kindness to his friends.
Year 3 & 4	Kindness	Evelyn Taylor—For supporting Martha Matthews at Breakfast Club.
Year 5 & 6	Kindness	Neive—Showing kindness to others in the class.
